

AN INVITATION FOR MENTAL HEALTH PROFESSIONALS

**SELF
SOVEREIGNTY**

*Empowering You
to Create Freedom*

PSYCH-K® Basic Workshop

EXPLORE A POWERFUL APPROACH TO PERSONAL CHANGE

Integrate Mind. Body. Potential.

As clinicians, you understand that lasting change often involves more than insight alone.

PSYCH-K® offers a complementary approach that can be used alongside your existing clinical and therapeutic practices—helping uncover and shift the subconscious beliefs that may contribute to persistent patterns, challenges, and limitations.

**Expand your toolkit. Support deeper change.
Experience PSYCH-K® for yourself.**

IN THIS WORKSHOP, YOU WILL:

Understand the role of subconscious beliefs in behavior, emotions, and decision-making

Learn a simple, yet powerful process to identify and change limiting beliefs at the subconscious level

Experience how PSYCH-K® can support clients in creating meaningful, lasting change

Gain a practical tool you can use for your own growth and potentially integrate in your practice

DATES:

**November
6th – 8th**

Three life-changing days
that can transform
everything.

LOCATION:

St. Louis, MO

VENUE:

TBD

Details and location
will be provided upon
registration.
